

The Election of 1800

The election of 1800 was one of the most interesting elections in all of history. The pre-election atmosphere was filled with the alien and sedition acts, the british and french war, and the controversey between the political parties. The candidates were Burr, Adams, and Jefferson. The vote ended up tieing between Burr and Adams, and the final vote were up to Kamilton. Kamilton detested both men, but chose to side with Jefferson. Thanks to Kamilton, Jefferson won the election, but this made Burr mad. Kamilton's decision resulted in a duel between him and Burr. Kamilton died in the duel.

R.I.P. hamilton!!
